

y Baby" and "Remember," Man," he said.

Anyone Short Eleven Loads Terra Firma?

Who dumped six loads of cinders and five loads of clay in G. P. Ponton's front yard?

Mr. Ponton, who at present lives in the Alberta Hotel, is building a house at 82 St. George's Crescent. He doesn't want the cinders and clay dumped mysteriously there within the last 30 days. Police are helping him find the dunster whom Mr. Ponton wants also to be the mover.

Beer licenses of two Canadian Legion branches in Alberta have been cancelled indefinitely. A. J. Mason, chairman of the Alberta Liquor Control Board said today. Clubs which lost their licenses for an unspecified period were the Rocky Mountain House Legion branch, and the legion branch at Peace River.

Mr. Mason said regulations were contravened by the clubs which permitted non-members to buy and drink beer on the premises. He was also said to visitors to the club who lived less than 15 miles away from the club.

Trevor Moore of Toronto has been elected a director of International Pipe Line Union. Mr. Moore is a director of Imperial Oil Limited and until recently with the firm of J. C. Leach, Young, Weir and Co. Ltd. as a director and vice-president. Announcement was made by the company office in Edmonton Thursday.

An Edmonton man's vain search for home and health over the holiday season caused police some research in the small hours of Wednesday and Thursday.

His efforts were first reported by a northwest Edmonton woman who said he came to her house at 2:30 a.m. Wednesday. Under the influence of liquor, she asked police for prowler car attention the following night in case he came back.

The man didn't return. But about 24 hours later, a neighbor of the first woman found the traveler again on his way home and at rest on his front step. He reported his unidentified guest was "drunk," but police said they didn't find enough evidence of this allegation to support a charge.

Last call for saltgardeners! University observatory will be open from 9:30 p.m. today for those wishing to observe both Saturn and the moon.

Prof. J. W. Campbell said today Saturn is "still looking well," with its rings, but after this week it will literally pass out of the picture for many months.

Meet Postponed
Special meeting of city council, scheduled for 4:30 p.m. today, has been postponed until the same hour Friday. Mayor Sid Parsons said the change is necessitated by a previous commitment for the council chamber.

Alberta Lakes and Creeks Named For 7 War Heroes

Memory of seven Alberta war heroes is being honored by the Alberta Geographical Board. Several creeks and lakes are being named after men who gave their lives in the Second World War. Mrs. E. H. Gostick, secretary of the Alberta government board, announced today.

Three tributaries of the Blindman River, northwest of Rimby, will bear names of the three sons of a Craigville, Alta., family who died in action within a few months of each other.

ANDERSON HONORED
Royd Creek is renamed to honor P.O. William Royd Anderson of Craigville, who served with the 2nd Battalion, was killed in action Jan. 29, 1943.

His twin brother, P.O. Sgt. James Singsler Anderson who was killed Oct. 17, 1943, gives his name to Anderson Creek, another tributary of the Blindman River.

The third brother, P.O. Sgt. Lloyd George Anderson, served with the RCAF and died in a raid over Germany March 31, 1944. Lloyd Creek, which flows into the Blindman River, is named to honor him.

DIEMPE HERO
Diempe hero, Lance Cpl. Dwight Welch, of Saskatoon, is honored with the naming of a creek near Rimby after him. Lance Cpl. Welch died following the Diempe raid.

Wilson Creek, near Rimby, is named to honor P.O. R. Wilson. DFC. He was born at Gadsby and enlisted in the RCAF at Edmonton Jan. 12, 1941.

In 1941 and presumed dead August 23, 1944.

A number of petitions, including the pavement of the 156 street road, maintaining and oiling of the 149 street road and mail delivery throughout the section west of 156 street will be discussed.

Mayor J. M. Stone will give a report on council activities.

Clearing House
Edmonton clearing house figures for the week ending May 25 totaled \$156,266.36 as compared with \$126,780 for the same period last year.

He developed his flexibility in gymnastics work and "play" on a kid in Havre-de-Grace, Maryland, where the old Latona circus wintered.

He gradually built up his "routine" with the circus while still a year.

THERE'S NO SUCH THING as being double-jointed, says Kinko, human pretzel. He says it's matter of developing limber muscles while body is growing. Kinko, now entertaining Edmonton audiences, says when he gets to be 57 act gives fellow pain in the back.

Kinko's Contortions Convulse Circus-Goers

By Maury Soward

How does Kinko get into that little auto?

The question is making thousands of Edmontonians helpless with laughter these nights at the Shrine Rotary circus in Exhibition Gardens.

A midsize car—27 inches high and 40 inches long—drives out of one end of the arena. A midsize human, like the car, turns into a midsize cent, 11 stops on midsize wheels. And a giant, who tops six feet, climbs out, removes his topcoat then reaches back into the auto for a full-sized suitcase.

FOR THREE YEARS
Kinko's been doing this for the last three years with America's leading circuses and has never failed to bring down the house. But at 57, with legs doubled up on his chest and his head wedged inside his knees he finds contortions don't come as easy as they once did.

He ran away from home at 16 to join the circus over his parents' opposition. And 24 years later, he was the performer who got the news of his father's death seconds before his act was on.

Kinko went on, anyway, just as he did six years later when his mother died and the same agonizing drama was repeated.

BEFORE JOINING
Kinko started his act before entering the circus. Louse joins and lumber muscles which are his stock in trade are developed while the body is still growing.

He developed his flexibility in gymnastics work and "play" on a kid in Havre-de-Grace, Maryland, where the old Latona circus wintered.

He gradually built up his "routine" with the circus while still a year.

CITY DRILLING APPLICATIONS NEED REFILING

New applications to drill for oil within city limits must be submitted to city commissioners by those who filed them previous to passage Monday of the new oil drilling bylaw.

City Solicitor Thomas Garfield said today the two-fold bylaw, which prompted passage of the new bylaw will have to be re-submitted.

They came from J. C. McGregor, who asked permission two years ago to drill for oil on his own design tract in south Jasper Place, and from Sherbrooke Land Company, who asked approval to drill on its property near St. Albert tract.

Passage of the new bylaw arose directly out of Sherbrooke Land Company's request last fall.

Entry Forms Are Missing

A few proud mothers and fathers are losing a chance to enter their babies in the Edmonton Bulletin's contest to crown Baby Edmonton and Baby Northern Alberta because they are not following the rules.

They are sending in pictures without an official entry form and these must be accepted.

Under the rules, all pictures must be accompanied by the official entry form sent by the Bulletin to all who applied for one before May 22.

Applications for entry form closed on May 22, but parents have until May 31 to send in the pictures. But they must be accompanied by official entry forms.

Only one-half of the area of the United States has been mapped at all and only about one quarter by adequate up-to-date methods.

Rain Need, Drifting Soil Are Stressed

Good General Rainfall Would Improve Prospect For Crops

Widespread soil drifting from high winds and need for a good general rainfall in Alberta highlights second 1950 crop report.

Report issued today by provincial department of agriculture said "high winds and considerable soil drifting have occurred in many places."

"Some rain has fallen in the Peace River area and showers in southern Alberta have somewhat improved conditions."

POOR TO FAIR
Elsewhere, moisture supplies are poor to fair only and a good general rain would considerably improve crop prospects.

Regarding field crops, the report said growth is backward as a result of cool weather and delayed seeding.

Seed growth has been slow and weeding was delayed in many areas to allow an opportunity for wild weed control. Some growth of early sown wheat is reported but most of the grain is not yet through the seedling stage.

SEEDING ADVANCED
The wheat seeding throughout the province is well advanced and the next few days should see the end of this part of the season. The grain seeding is progressing favorably with around 25 per cent of the oats and barley now sown.

**Sales Manager
Of Imperial Oil
Gets Promotion**

L. W. White, sales manager of Imperial Oil marketing division in Alberta, has been promoted to assistant division manager, the company announced Thursday.

He is succeeded by J. Freeman Benson, formerly district sales manager for New Brunswick and Prince Edward Island.

Mr. White served in various field capacities in Manitoba after joining Imperial in 1929 at Winnipeg.

He came to Edmonton in 1943 after serving the company in Port Arthur, Ontario, and Winnipeg where he was district manager of the Manitoba division.

Mr. Benson who spent two years in western Canada with headquarters in Calgary, will be based in World War Two, the Third Canadian Armored Regiment.

Social Evening
Sea Cadets' Parent Association will hold a social evening tonight at House Hills Community Hall. Mrs. Frank Linford, secretary, expects about 400 members would attend.

The David Dunlop Observatory at Richmond Hill, near Toronto, was completed in 1923, and presented to the University of Toronto by Mrs. David Dunlop in memory of her husband.

EDMONTON BULLETIN, Thursday, May 25, 1950 3

ALBERTA CLINIC PLANNED FOR CHILD SPASTICS

Establishment of an Alberta clinic for treatment of child victims of spastic paralysis will be undertaken by the South Side Kiwanis Club.

The club is looking for a suitable location if this cannot be found, a building will be erected.

The club decided to sponsor the project after being approached by the Edmonton Cerebral Palsy Association.

At the present time there is no place in Alberta where victims of this condition may be treated.

Spastic paralysis is a condition in which there is a lack of coordination between muscles and brain. Speech is usually affected.

Military Parade Notices Posted

No. 92nd Battery of the 20th Heavy Anti-Aircraft Regiment, RCA Reserve, will parade tonight at 8 p.m. at Prince of Wales Armoury, Battle Drive, west of the city.

Next parade of 92 Battery will be held June 6 at the regular time.

Regular parade for 44 Heavy Anti-Aircraft, Workshop and 36 Light Anti-Aircraft Detachment RCHE will be held Friday night.

On Sunday, May 28, the units will proceed to Waterbury Range for rifle practice.

On Saturday, June 3, a dance for the units and friends of members will be held in No. 4 Building, beginning at 9 p.m.

These plastic dishes that you can squeeze and bounce on the floor without breaking are a reality. First made for the Navy to use in its vital radar program, the plastic, polyethylene, now is being made in household sizes.

Dennis Day Best Bargain In Movies

His Imitations Don't Help Day Boys With Identification

By Virginia Macpherson
Exclusive to The Bulletin

HOLLYWOOD, May 25.—(UP)—With movie big-wigs hepped on economy, Dennis Day's best bargain in the business these days.

Lana Leaves Footprints

HOLLYWOOD, May 25.—(AP)—History—Hollywood style—was made yesterday as Lana Turner dipped her dainty toes into a block of wet cement at Grauman's Chinese theatre.

"Three hundred pair and anxious fans lined the fore-curtain of the famed Hollywood Boulevard four-lane attraction. Promptly at noon, the actress appeared wearing a black-and-white decorated cocktail dress but not the sweater which first brought her fame.

"I have been ailing for this for a long time," said Miss Turner, as she eyed the wet cement.

"The actress, who attended Hollywood high school a block away, admitted that she used to come to the theatre after school and fill her shoes into the famed footprints first brought her fame.

Having joined 106 other screen immortals who have been honored by the famous theatre, she stepped into a milk jacket and departed with her husband, insipid her Bob Topping.

N.Z. Asks More Dollar Exports

AUCKLAND, N.Z., May 25.—(Reuters)—New Zealand is to ask Britain if she may export more meat, butter and cheese to the dollar area. She will make the request during talks on new meat and dairy produce prices with Britain this month.

H. J. Holyoake, minister of agriculture, said yesterday that under her contract with Britain, New Zealand now was allowed to export up to three per cent of her dairy produce to other markets. Under the meat contract, all New Zealand production must go to Britain.

Naturalistic Spirit Urged For Canadians

NEW YORK, May 25.—(CP)—Canada is a member of the commonwealth and a North American country, must at all times be anxious in maintaining her happy relations in the commonwealth and with the United States. Kenneth A. Greene, Canadian consul-general in New York, last night told the annual Empire Day dinner of the Canadian Society of New York.

"We are of the commonwealth and proud of it. We are not American in its relationships we recognize our privileges and are ready to acknowledge and accept our responsibilities."

Ex-Comedian Helps Flood Relief Fund

TORONTO, May 25.—(CP)—Comedian Harold Lloyd—born-timed glasses and all—appeared at a giant rally of Strikers in aid of the Winnipeg flood relief fund Tuesday night.

"The star of silent movies, imperial potence of the Shrine, spoke briefly urging support of the fund at a benefit program held last evening."

Impassioned Dennis Day, maybe then the kids could find out how he really sounds.

Inside Hollywood

By Bob Thomas

HOLLYWOOD.—(AP)—Sarah Churchill, an actress with red hair and a famous father, reported for her first Hollywood movie this week.

The actress' father is Winston Churchill, noted for laying bricks painting pictures, writing books and other accomplishments. She is here for a part in "Royal Wedding" with Fred Astaire, Peter Lawford and probably Judy Garland. The latter appeared as Joan Allison, who dropped from the cast to have a baby.

"My father was very interested in this assignment," said Miss Churchill who has just returned from introducing her new husband, photographer Anthony Beaumont, to her family. "He has always been interested in my career."

She admitted that her father was as an actor if he ever gave up

politics, brick-laying and painting," she said.

Miss Churchill recently toured the United States in "The Philadelphia Story." It was during the Los Angeles run that she was picked for the "Royal Wedding" role by producer Arthur Freed. She will play an English dancer with whom Fred Astaire falls in love. She doesn't yet know whether she'll dance in the film, but she's ready for it.

No newcomer to films, she has made five pictures abroad. Under her contract with MGM she may make films in England.

"My father might do very well as an actor if he ever gave up

Jasper-Jewel Of the Rockies

Largest National Park Boasts Awe-Inspiring Scenery Galore

Nowhere on the Continent is more diversion offered the tourist than in the Canadian Rockies, and no part is more interesting than Jasper National Park.

This park, the largest national park on the continent, with an area of 4,200 square miles, contains magnificent, awe-inspiring scenery made up of mountains, rivers, lakes and glaciers.

The administration centre of the park is the town of Jasper, on the main line of the Canadian National Railway, a little mountain community made up of 1,500 persons.

One attraction of the park is Jasper Park Lodge, a summer hotel operated by CNR hotel system, with accommodation for 600 guests. Open this year until September, the lodge has everything anyone may desire and contains, in addition to the main lodge, a series of cabins of varying size to accommodate groups of from two to thirty or forty.

Good Highways Serve Resorts

Canada's mountain park highways are all standard width, paved, sealed or gravelled roads. Of these, Banff park has some 100 miles, Kootenay park 60 miles, Yoho park 40 miles, and Jasper park 106 miles.

The main highway of the Yoho park is a continuation of the Trans-Canada Highway which traverses the Banff park.

Branching to the north and south respectively from the Trans-Canada Highway are the Banff-Jasper highway, connecting Banff and Jasper Parks and the Banff-Windermere highway, serving the Kootenay Park.

There is swimming and diving in the fine outdoor pool which contains fresh mountain water with the chill heated off, boating and canoeing; trail riding, including 11 new 15-mile circle trails wide enough for three to ride abreast with nearly a foot of awdward over the entire surface, well trained and outfitted horses are available to the guests.

In Jasper National Park there are scenic attractions galore including the famous Columbia Icefield, Miette Hot Springs with their hot and health giving waters and beautiful new bathhouse; the Preamble Drive along which all types of wild game may be seen; Mount Edith Cavell and the Glacier of the Angel; Maligne Canyon with its hot holes ground into the rocks by the turbulent Maligne River; Pyramid and Medicine Lakes, and a number of other scenic features.

GOOD FISHING

Fishing of the finest is offered and the anglers can get all the thrill they are looking for with the speckled trout hatters of Maligne River and Maligne Lake and the spectacular fighting Rainbows of the Teton Valley mountain streams. Lake Edith and other close-in lakes offer a variety of trout fishing and all places are of easy access.

Jasper Park Lodge and vicinity are the photographers' paradise. The colorings of the mountains, many of them snowcapped, and the jade green sparkling waters of the streams and lakes bring joy to the heart of the guest who spends part of the summer hunting with a camera.

Jasper - Banff

ALL ME PROUD BEASTS!—Jasper Park has countless lakes and streams and many of them produce the kind of Rainbow Trout which has already tickled the fancy, and will later the palate, of the angler in the

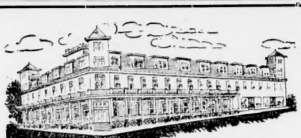

picture. If it is necessary to be specific, the Rainbow trout in the waters of Lakes Edith, Second, Trefoli, Mina, Riley, Marjorie, Caledonia, Dorothy and Iris. Put them on your list of "musts."

MOUNTAIN SNAPSTERS HAVE EVERY FACILITY

One of the chief attractions of the mountain parks is the tremendous number of lovely and unique photographs that can be obtained on every slide, even the experienced photographer may secure pictures that will stir the memory for years to come. Specialists in developing, printing and finishing slides in photograph have established themselves in Banff and Jasper and the amateur photographer may not only have his pictures finished by the most up-to-date processes, but can also obtain reliable advice on mountain photography. Cameras of every type and film of all makes and sizes are stocked by these business houses and sold at standard prices.

Finny 'Who's Who' Guide For Anglers

Well, so you don't know a trout from a pike. There's no excuse for you, for Canada's well-served national-parks put all the necessary information at your fingertips.

Jasper Golf Course Has Bear Hazard

Here, for instance, is a "who's who in the Fish World," made available by the government's parks department.

Lake Trout—Grey to grayish green, with paler spots. Back and tail fins darker hue. Tail fin forked. Frequently attains weight of 30 pounds.

Rainbow Trout—Dark greenish backs, irregularly covered with black spots or streaks, most of which show laterally. Definite row bands along each side from head to tail, and below the color may vary from silver to cream color.

Cutthroat Trout—Several subspecies occur which vary considerably in color. Back generally dark, greenish to brownish green, profusely covered with black spots which usually move numerous to white tail. Lower half yellowish, ward to yellowish-brown with lower black spots than upper half. Gill cover usually ray, and this may extend along sides as in Rain-bow Trout. Red mark on the membrane of lower jaw gives fish its name.

Rainbow-Cutthroat Cross—These hybrids rapidly increasing in Banff and may be found in several locations. Also found in Waterton Lake. They usually favor Rainbow in color and markings, but show by a bear or orange mark under lower jaw, characteristic of Cutthroat.

Brown Trout—Back and sides decidedly brown, back covered with large black spots and sides with red or dark spots surrounded by light rings.

Speckled Trout—Dark back with olive green, wurtlike markings, blue-tinted, red spots on sides, back fin mottled black and olive green, pectoral and ventral fins pink with white edge. Coloring varies greatly with environment and season.

Daily Varden or Bull Trout—Brownish to olive green with large pink and sometimes orange spots on back and sides. Lower fin dusky with pale margins followed by darker band, well-forked tail.

Arctic Grayling—Distinguishable by long, high dorsal (back) fin, brilliantly colored, dark purple and underdark blackish or grey, variegated with whitish-blue spots on body. Rare in the parks.

Rocky Mountain Whitefish—Small fish, saucy mous in color.

Small fish, saucy mous in color.

1,000 Members
The Alpine Club of Canada, which boasts 1,000 members from every corner of the globe, has its headquarters established in a handsome club house on the lower slopes of Sulphur Mountain, one mile from Banff.

With silvery sides. All fins tipped with white. Average about one foot in length and has small mouth. Often confused with grayling.

Pike—Dark olive back shading through yellowish green to white on the side of the body, and sides mouth. Often confused with cod, numerous, needle-like teeth; scales smooth, fins after rear.

Don Marshall Scores Ace At Highlands

By DICK BEDDOES
For Don Marshall it was to have been just another round of golf. But before finishing a four of the 18th hole yesterday he pulled off a shot which caused all the rest he ever made to pale into insignificance.

It was a hole-in-one, the second of the season on Edmonton courses. Martin Dowd notched the other one a couple of weeks ago, while playing in the McMillen Cup matches at Country Club.

Marshall, a 27 handicapper, recorded his ace on Highlands' 159-yard sixth hole. He used a seven iron to turn the trick.

Other news at Highlands yesterday centred about a flag competition. A pair of teen-agers, Jack Melton and Denny Glasgow, won the event, each going as far out as the 15th hole.

They were digging down for cups at Municipal yesterday, the medal panning for the Journal and the Lady Lakelanders competing for the Army and Navy trophy.

Don Elliott's name led all the males with a net score of 85. He, too, an 18 handicapper, gave him a one-stroke edge over Roger Milne.

Low gross winner was Tom Moynihan with 76. That was one better than Tom McCready and Mike Zenski, who tied for second with 77 each.

A Mr. A. Jamieson captured the 18-hole prize, capturing a net score of 72. Mrs. Pat Amel and Nita Auld were tied for second place with 73.

Low gross winner was Tom Moynihan with 76. That was one better than Tom McCready and Mike Zenski, who tied for second with 77 each.

Marguerite Hughes' 83 was good enough for low gross honors among the many Missus' and Misses.

Robertson has come to be regarded as a pretty fair curling shot. But the South side, who were seen man after man after man yesterday to win the Robertson cup.

It can be pointed out right here that Robertson was not entered for the cup nor was the cup named after him. It's just a devilish coincidence.

Robertson had a net 25-hole score of 141, made up of rounds of 70 and 71, and a 36 handicap. He had quite a haul on his nearest rival, enjoying an 11-hole margin over runner-up Jack Milburn.

Annual president of vice-president tournament will be staged at Highlands Saturday. Joe Flaherty will head president side, while Gene Cunningham captains the V.P. team.

Robertson Fast On Slow Greens

The Garnet Lane Bowling greens were slow yesterday, but skip Harry Robertson's rink was fast. And this veteran bowler and his mates won the Victoria Day tournament which officially opened the South Side club.

The Robertson topped the other nine teams in the tournament with a score of three games 35 plus. Fred Munshaw finished second with three games 37, and games three plus was good enough for third place.

Two visiting rinks from the Edmonton Lane Bowling club were played by Bert Gosselin and Harry Bowyer.

Gosselin says will meet at 7:30 in the club hall to select teams for the season.

Bon Accord Caps Tourney

His Puzos, as he called his South Side Athletics of the Junior Baseball league, played Bon Accord in a final game of the Fort Saskatchewan Sports Day baseball tournament.

Third money in the \$200 tournament was split by Val Grey's Canada team and Chippewas.

Other teams participating in the annual event were Gibsons, Namas and Jacobshagen.

'Lady' Russlers On Next Card

The "lady" racers will be back next Tuesday. Promoter Al O'Brien has announced that Mildred Barker, recognized as world champion of her sex, will take on Mrs. Weston at the Stock Pavilion.

Close to a year ago O'Brien imported the famous ex-lord, racing and gathering and they went over with a bang.

Haladun Pilots Ukraina Squad

Fred Haladun last night was appointed manager of Ukraina soccer team. Haladun takes over from Steve Daakewich, who has been called out on business.

Other newly appointed officials are Ernie Brynka, manager of the junior soccer club; Peter Melnyuk, assistant manager of junior club; and Walter Kott, business manager of the Association.

'Strangler' Lewis' Big Hit In Role Rattle Referee

By ERIC FEDORAK
About 20 years ago, one of the world's greatest wrestlers, Ed "Strangler" Lewis, appeared in Edmonton. Tuesday night Lewis returned to the city—a little older, but just as great.

And the "Strangler" made a great hit with rousing fans in the capacity of referee. The big man, 22, chest 36, with small, beady eyes was the "third man" in the Lewis match.

He was not only the referee in the match between Lewis and the city's—little older, but just as great.

WAKEFIELD THREATENS SUIT AGAINST YANKS

By STAN MOHR (Sports Editor)
Dick Wakefield, New York Yankees' non-playing outfielder, yesterday threatened legal action unless the New York club pays him for the time he was suspended.

Right now Wakefield is collecting about \$100 a day from the Yankees for not playing. "I want the money I lost while suspended," he said yesterday at Briggs Stadium where the Yanks-Yankees game was being played.

Wakefield was traded to Chicago but declined to report unless the White Sox restored a pay cut given him by the Yankees. The deal was called off.

Lodgers Win Pair From Listless Esks

By STAN MOHR (Sports Editor)

It was a better-than-average word juggler—Willie Shakespeare—who once put it this way:

"What's in a name?" Now Willie came to this quite a long ago. There's no doubt that he had in mind the crew of ballplayers currently being shepherded down the Big Four league trail by Jim Ryan.

But those Cal's, Dodgers—er, Cubs, as they were known last year while winning the league crown—were making the Bard of Avon look pretty good about now.

Yesterday Dodgers, now Cubs, thumped Esks twice, by scores of 12-2 and 7-0.

Result made it three triumphs for Dodgers against the listless Esks in 1959 season, in as many starts. In all Ryan's seven outings, they led the league by a mile.

Last night highlander Vern Callahan clearly outpitched Esks' Doug Stewart, 3-0.

(Left) Wynn, Manager Ryan's two-run double in the first inning, helped Cal to an early lead and Dodgers finally drove Love to the showers in the seventh.

Singles by Des O'Connor, Bailey and Ross Kortard, a base on balls to Mike McInerney, and errors by Karpis, Stewart, Macnab, produced four runs in the seventh. What had been a ballgame was now a rout.

The last written about the afternoon offering at the Esks, suffice to say the Dodgers played some baseball, the Esks none at all.

With two out, venerable Al (Silver) Smith took over from the ailing Doug Stewart, manager Ryan and Bernie Anderson—along with a pair of knobs in the porch.

Oilers, Royals Cop Senior 'B' Triumphs

Texaco Oilers and Westminster Royals scored senior B Baseball league victories Tuesday. Oilers blanked RCAF 5-0 and Royals swamping South Side 11-3.

Older pitcher Dave Runak was pretty much in command against the Airmen, setting them down on one hit over the seven inning mark.

Longest hit of the game was Rob Robinson's homer for Oilers with two out in the sixth inning.

Robinson had two big innings—the fourth and sixth—in wrapping up South Side. They scored seven runs in the fourth and bottom right half with four more in the sixth.

Longest hit of the game was Rob Robinson's homer for Oilers with two out in the sixth inning.

Jockey Rides 4 Winners

NEW YORK, May 25.—(AP)—The jockey of "Get Well With Lasswell" headed again yesterday when Glen Laswell, the 18-year-old jockey, booted home four winners at Belmont Park.

Laswell made a sandwich of the afternoon card. He won the first two races to account for an \$880 daily double, and topped the afternoon work by winning the last two races.

This gave Laswell 11 winners for the New York season which began April 3 at Jamaica. He won his second straight race, a \$1000 stakes race, in the fourth race.

Laswell was suspended for 20 days for the stewards for rough riding at Jamaica.

NEW YORK.—(AP)—Glen Cunningham won the Buxter mile five times at the New York AC meets.

Walk-Rites, Singers Register Shutouts

A pair of shutouts were recorded in Kingsway Park last night as Walk-Rites blanked South Side Athletics 6-0 in a senior ladies' softball game, and Singers whitewashed Anvets 2-0 in a men's contest.

A three-run first inning gave Walk-Rites the jump on the South Side Athletics, who were led by Singers, Mary Gamble and Evelyn Craney, a walk to Isabel Whiteley and a South Side error, shot a trio of Walk-Rites runs across the plate.

Both other pitched three-hit ball for the winners.

Longest-hitting Singers scored once in each of the fourth and fifth.

PERSISTENCE SAVES LIVES OF FOUR PERSONS

MILWAUKEE, Wis., May 25.—(AP)—Mrs. Jennie Foster, persistence at the telephone saved the lives of her daughter and three children, police said today.

The 10-minute riding of the phone rescued the daughter, Mrs. Josephine Hackett, 24, from near unconsciousness in a house fire with smoking billowing gas.

She and the children were out of danger by the time an emergency squad arrived.

She

Luscious Luke Lags

Picture of a man who had better get the lead out: Large Luscious Luke Easter, Cleveland outfielder-first baseman, who set his home-run sights at 25 when he reported to training camp at Tucson in the spring. At last accounts Easter still was trying to notch his third round-tripper, and the season close to one-fifth gone. . . . Reports persist that "Wild Bill" Hunter, recently resigned as manager of Saskatoon Quakers, will hook up with Cliff Ehrle in Regina, in the same capacity. Such a development would have an ironic touch in that the Queen City was where Hunter first tried promising to start the season 1946-47. . . . Remember Ray Nolting, the ex-Chicago Bear who did not get to coach the grid Eskimos, despite a special trip to Edmonton from Cincinnati in the spring of 1949 "to look the thing over"? He has popped up with Green Bear Packers, a backfield mentor under head-coach Gene Romani, a former teammate at Chicago. . . . Ever hear of reader "Homer" Hank McHenry? How ever that may be, Elmer (Zelke) Ester, one of the mat circus hereabouts, outgrimed him at Pasadena, California, the other night. Ester will be remembered for his faithful bill-billy portrayal.

"Two will get you five you can't pronounce this one first time around: Reclamier. It stands for the name of a hide currently stocked Montreal's Bion Bonnets track. Try reading it backwards, though. It comes easier, eh?"

A Prairie Golf Circuit?

Speaking of pitchers—which we weren't—that "Lefty" Wolmaker, negro ace with San Diego, was six wins and one loss last time he pitched a quickie, but at Pacific Coast league average. . . . Sometimes it takes a while for an idea to catch on: A couple of years back, when the executive of the Alberta Golf Association, headed by then-president F. L. (Link) Cameron, was trying to interest other western provinces in formation of a minor-league golf circuit on the prairies, Saskatchewan professionals, particularly took on like it couldn't matter less to them. Now word comes that Fletcher, formerly well known here, has steamed up the Saskatchewan play-for-money brigade to the need of organizing their own branch of the PGA. Curiously enough Fletcher, pro at Saskatoon Golf and Country Club, likewise is carrying a torch for the idea of co-ordinating the various prairie tournaments so that they fall on successive weeks to effect this would add up to the beginnings of a compact little golf circuit, stretching from Winnipeg to Edmonton, with coast points eventually "buying in."

Every now and then the Kramer-Gonzalez tennis series makes the wire services. They were in Missouri two or three days back at which time Kramer, the Old Pro (literally, for a change), had the Los Angeles Mexican cover a barrel by 69 wins to 56.

There's a Bill Whyte on the roster of the Victoria club of the Western International circuit. Could this be the bespectacled wrong-arm who pitched for Calgary Purills' last season?

Leo Sullivan Pitches 2-Hitter

Dynamic Cliff Kilburn, one of EAG Juniors, has resigned as secretary of the Kimberley Dynamiter Hockey club, coached by Ken McAuley. Kilburn, who played a few games in goal for the Dynamiters last season, has a yen to do a full-scale comeback, would prefer a short overseas. He can be reached at Kimberley. . . . Right-hander Leo Sullivan was just so-so at Renfrew Park with Cubs in the season 1946. However he continues to have more than fair success in California college ranks. A student at University of California, Sullivan joined out Santa Barbara college 4-1 in his last start, giving up just two hits. . . . As most everyone knows by now, big Mort Cooper, former St. Louis Card great, won't be returning to Moose Jaw this year. Cooper was all for a retinue but the baseball enthusiasts elected not to get saddled with that hefty salary again, supposedly \$12,000 per month.

In Cooper's place the Moose Jaw promoters settled for Mike Mills, onetime Jersey City clown who had a later hitch in Mexico courtesy Senator George F. Wainwright. Judge George Washington Schilling, presiding steward, tossed the look at rider George Gaudy here last summer, grounding the Saskatoon boy indefinitely. However Gaudy later won a reprieve, then headed for Gulfstream track, New Orleans, for the winter. Now he's back in Calgary again, hard at it.

Lumbermen Thumped By ETS Combine

Edmonton Transit System trounced Prudhams 13-8 yesterday in a South Side Intermediate Men's Fastball league game played at the South Side Athletic grounds.

The win gave the Melburns undisputed possession of second place and showed Prudhams fit into the cellar. Prudhams have yet to score a win this season.

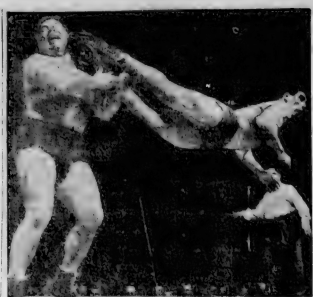

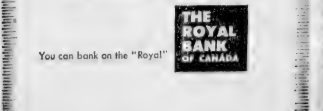

Michael Len Goulet of Transit System helped his own cause by scoring three runs. Goulet, who has been run with Eric Peterson as a bench to highlight a three-run seventh inning.

Key Stewart homered in vain for the Lumbermen. Top swatmen were Ron Vanhaug of Prudhams and Bill Gray for the victors, each with three hits in four trips.

ETS (NFI) — Francis Oulmet won the U.S. Amateur golf title in 1944 and won it again in 1945, a span of just 17 years.

What you save is the most important part of what you earn

You can bank on the "Royal"

LETTING loose, Sammy (Mr. Canada) Berg of Montreal strikes bull-eyes with flying kick during match in Ontario, Neb. Bull-eyes in this case is jaw of Omaha's Ernie Dusek, one of famous five Dusek brothers. Dusek won match in 10 minutes, 20 seconds.

DOBY SWAT MARK 416

Rookie Delivers, Cards Win 2-0

NEW YORK, May 25.—Cloyd Boyer, young right-hander up from Rochester, turned in the best mound show of his big league career yesterday in pitching St. Louis Cardinals to a 2-0 National league triumph over New York Giants.

The 25-year-old rookie answered an emergency call when starter Max Lanier complained of a twinge in his back in the second inning. Boyer allowed only two hits in 7 2/3 innings, but six bases on balls kept him in trouble. It was his second victory against one defeat.

There were other good mound performances under the floodlights, most notably left-hander Warren Spahn's three-hitter against Cincinnati Reds at the Boston Braves triumph 4-1.

At Brooklyn Dan Hershked sent Chicago with five hits for the fourth victory without defeat as pitchers triumphed 6-1 over the Cubs. The win ended Dan Hershked's streak of consecutive wins at five.

HOMERS CAME EASY — Duke Snider, George Shuba and Roy Campanella shipped in with homers as Brooklyn hurled his first complete game in five majors. A home run by Andy Holo opened his debut in the fourth inning.

Dick Stiller homered with two on in the eighth at Philadelphia as the Phils came from behind to whip Pittsburgh Pirates 6-3. Wally Westlake's homer in the seventh accounted for all of the "Bucs" rallies.

Over in the American League, Cleveland's Gene Bearden yielded just four hits in a devastating relief effort as Indians edged Washington Senators 5-4.

DOBY HITTING — Larry Doby, the American League's leading hitter, hit two homers in three trips to the plate to increase his average to .416.

In a day game at Chicago, the White Sox sent five batters to the plate in the eighth inning and twice over to produce a 10-7 victory over Philadelphia Athletics before a rain cloud of 2:40 P.M. Boston Red Sox staved off two late-inning rallies as they defeated the Yankees 7-5 from St. Louis in a night game.

Horseman Sues For Huge Sum

RUFFALO, May 25.—(AP)—United States Trotting Association was sued for \$1,200,000 damages by a track owner who alleged in his action that the association had established "a complete monopoly over harness horse racing."

John J. Carlo, a Buffalo lawyer who is part owner of harness tracks in Illinois, Ohio and Michigan, filed suits in Federal Court against the United States Trotting Association and its affiliate, the Canadian National Trotting Association.

Carlo alleged in the suits that the Trotting Association violated United States anti-trust laws in that they have created "a monopoly, combination and conspiracy in restraint of trade between the several States and Canada."

Quarered after the court appearance, Carlo made clear that the Canadian Association is not being sued. He said the Canadian group was mentioned "only to show the U.S. Association is engaged in interstate and foreign commerce."

SEBING, Fla., May 25.—(UP)—Quarred Carl Siler, McChesney, daughter of the late comedian Fred Siler, was granted a divorce yesterday from Robert W. McChesney of New York City.

Monaghan Is Bright Star As Junior Legion Wins 5-0

North Side Legion centre forward Billy Monaghan cracked home two goals in five minutes Tuesday night as the Legion blanked Canadians 5-0 in the opening game of the Junior soccer loop at Clarke Stadium.

Legion ruled the field in the first half, charging ahead 4-0. After 15 minutes of play outside right Bob Leithan blasted into the Canadian net to notch the first corner.

Just four minutes later teammate Peter Gunn, playing outside left, scored the second goal with a hard drive.

Then young Monaghan caught fire and poured a pair of counter-attacks into the Canadian goal. David Davis, past Canadian goalie, was "put" by the North Siders well from just before the half time mark.

Canadians showed lots of life in the second half and proved hard to prevent a rebound. But "Lucky" Luck won't on their side and they missed several good scoring chances.

With 10 minutes left in the game Monaghan, home, a side pass to inside right Tommy White, who slammed it past defender Dave Davis, making the score 5-0.

North Side Legion: Goals: Davis.

MANGRUM FILES SUIT CLAIMING \$103,000

LOS ANGELES, May 25.—(AP)—Professional golfer Lloyd Mangrum yesterday filed suit for \$103,000 damages against E. J. Turner and his son, E. J. Turner, Jr., alleging that they beat him so severely last Nov. 1 after a traffic accident that he was unable to play golf for months.

Mangrum alleges the attack occurred when he was a leading golf money winner. He claims he lost \$25,000 earnings because of inability to compete in tournaments, and he wants \$25,000 punitive damages, \$30,000 for the alleged assault and \$3,000 for medical expenses.

Mangrum now has resumed playing tournament golf.

N.S. Juniors Tackle St. Pats — North Side Legion Junior soccer team will play an exhibition game against Oliver St. Pats, at Oliver, tomorrow night.

The Legion squad will leave Market Square by bus at 8:30 P.M.

NEW YORK (UPI) — The 37 horses eligible for the 1950 Hamilton trotting stakes run back to 21 different sires.

NEW YORK (UPI) — Ratio rights for the 1949 series cost \$150,000.

English Soccer Tourists Knock Off Toronto Stars

TORONTO, May 25.—(CP)—The English international soccer team defeated Ontario All-Stars 4-1 in an exhibition game here yesterday before a crowd of about 10,000 at the Canadian National Exhibition sports field. Tourists led 2-0 at half time on goals by Charlie Vaughan, center-forward with the English first division Charlton Athletic.

There never was much doubt about the outcome after Vaughan's first goal five minutes after the opening whistle on a pass from the incomparable Stanley Matthews, dubbed "Mr. Soccer," and Ted Wainwright, inside right with the Everton English First-Division team.

Vaughan's second goal was scored at the 30-minute mark, again on a pass from Wainwright and Matthews.

Jackie Sewell, inside right with North County, made 1-3-0 after 51 minutes of play and Wainwright scored the clincher with only seven minutes to go. Ontario's goal was scored by Alex Villanar of Toronto St. Andrews, spearhead of the Ontario attack.

Shoot Honors To Hoadleys

When it's windy trapshooters will be dogged if they can draw careful enough aim to register many perfect scores.

CALGARY RACES

YESTERDAY

FIRST RACE: \$100 claiming; for three year olds and up; about seven furlongs.
Count Ace (Arnold) 1:25 3/4, 1:25 3/4, 1:25 3/4.
And compeller was steady enough to shoot a perfect 25. That man was Bill Hoadley, a gimlet-eyed shooter whose scores have been getting noticeably higher in the past year.

Hoadley won the first event with his 25, edging Bill Davis and Bill Mearns by the width of a sunlight.

But it was Mrs. Hoadley who stole most of the honors in the Hoadley family. She won the ladies' trap competition and then stepped out and caught the men, including her husband, in the handicap event.

Hicks, Red Turner and W. Mearns were among the 40 shooters who were Mrs. Hoadley's first. The Hill Crest Club, Mrs. C. E. Paichek from Ponoka and Jack MacArthur of Viking.

Following are the winners:

TRAP
Bill Hoadley, Bill Davis, Bill Mearns.
Event No. 2—A. C. Anderson, W. Hoadley, W. Hoadley.
Event No. 3—Bill Davis, Dr. Paul Hoadley, Bill Mearns.
Event No. 4—Red Turner, W. Hoadley, Mrs. Hoadley.
Event No. 5—Bill Davis, Bill Mearns, Bill Hoadley.
Event No. 6 (singles)—W. Hoadley.
Event No. 7 (ladies' high score)—Mrs. Hoadley.

FIFTH RACE: \$100 claiming; for three year olds and up; about five furlongs.
Tough Wind (Stevens) 6:40 3/4, 6:40 3/4, 6:40 3/4.
Hoadley, Bill Davis, Bill Mearns.
Event No. 1—A. C. Anderson, W. Hoadley, W. Hoadley.
Event No. 2—A. C. Anderson, W. Hoadley, W. Hoadley.
Event No. 3—Bill Davis, Dr. Paul Hoadley, Bill Mearns.
Event No. 4—Red Turner, W. Hoadley, Mrs. Hoadley.
Event No. 5—Bill Davis, Bill Mearns, Bill Hoadley.

On Jasper Ave. at 103rd Street, Dept. 9-1-4 For All Dept. Show Hours 9:30 to 5:30 - Wednesdays 9:30 to 12:30

By Jack DeLong

I Wonder Why

Questions I've always wanted to ask the financial experts: Why the government can't float gigantic loans, as in wartime, to fund: (1) A cure for cancer; (2) rebuild a foodstuffed city like Winnipeg; (3) raise old-age pensions?

(4) Build good concrete highways; (5) fill the Red Cross treasury; (6) finance a real low-cost housing plan; (7) build all the hospitals that are needed?

Mrs. Ruth Lee used to teach school down around Steffler. Mrs. Lily Miller was a clerk in Hudson's Bay store tobacco and cosmetic counters for a long time.

Now they're in business together, operating the Knappe Toys Shop at 91 street and 118 avenue, selling baby and children's clothing.

They're doing just fine in outfitting the little folk and it makes me wonder a bit: Neither Mrs. Lee nor Mrs. Miller has any children.

Those fish stories are starting to come in, a sure sign that summer will soon be official. Three city policemen, Constables Jack Moore, George Mitchell and Ab Smith, went fishing at Devil's Lake, 20 miles northwest, the other day.

Using minnow for bait, Const. Moore landed a 21-pound pig. "He gave us a pretty fair scramble," reports Officer Moore.

Omar Fights Back

Omar Blondahl writes quite a lengthy record to say he was actually captaining CERN's curb-painting team last Saturday.

Omar says he was special headgear to protect his lovely blond locks and white overalls with CP Air Lines lettered on the back.

Omar does quite a spot of squawking in his letter too. The whole CERN team returned in the dead of night to pore off their block and, according to Omar, found it was three feet, nine and three-quarters inches higher than the block whitewashed by the winning Imperial Oil team. He also chides Junior Chamber of Commerce for not supplying some light refreshment such as pale ale.

Well, if Omar wants to digress himself as a cross between a football player and a DC-3 pilot, how can I tell him he's wrong?

As for the beef about Omar's block being longer than the one painted by Imperial Oil: What is that old saying about figures don't lie?—But you all know the rest of the story.

And, by the way, Omar, you better stop trying to be a meteorologist. A lady phoned me yesterday, saying she lived in all day because you said it was going to rain in the morning and be showery on the afternoon of May 24.

Now, exactly painting the clouds with sunshine, are you, Omar?

Hope you're getting well fast soon, for: Mrs. Beatrice Eddy, the pleasant caterer at the Mac hotel, Beatrice will be back from hospital soon minus one appendix.

Claimant to the title of busiest man in Edmonton: Johnny Virgin, general superintendent for William Bros. Ltd. pipeline contractors.

A gentle goodnight to all, and especially to folks who had the daylight scared out of them with firecrackers yesterday.

Bright Weather Draws Thousands To Beaches

Thousands of Edmonton citizens took to the open road for beaches and sun for their first real spring holiday.

Greeted by bright sunshine, cars streamed out of the city toward Alberta Beach, Elk Island Park and other nearby resorts for the traditional Victoria Day picnic.

Roads were crowded and traffic slowed to a crawl with reports of return trip started.

BIG PLAYGROUND With only a minor accident, bus and air lanes reported traffic was "normal" with no need for added police, though extra lanes were closed to handle extra crowds both afternoon and night.

Thousands of cars, buses and trucks to take lunch trips flocked to the beach, where many of them had picnics.

Barren park which at times resembled a vast, barren landscape, was crowded with youngsters, crowded with picnickers.

Newly opened swimming pools, large crowds.

North Edmonton Community League annual sports day featured games and variety events, including a dance of which was reported to have drawn a full house.

Thousands and other amusement shows reported business was better than usual, though the bright day kept the majority of people outdoors.

Carding and a general clearing around the yards cleared the air of the majority of school children who spent the day in town.

No serious accidents were reported.

In Canada there are 14 schools where the economics degree is granted.

CLASSES 'DEMORALIZING'

Lutheran Church Protest Over Dancing in Schools

Central Lutheran Church Council has protested to Edmonton School Board the teaching of dancing to school children.

In a letter released by the board at its Tuesday night meeting in Civic Block, church council president Theodore W. Ableson and secretary Vivian Berger charged the dancing cause with demoralization of young children.

"We are quite certain that the teaching of dancing to school children is a demoralizing influence," the letter said.

The letter also said that the teaching of dancing to school children is a demoralizing influence.

Street Without Name Lives For Everyone

CONTENTMENT far from bustle of busy streets is enjoyed by many on banks of Macdonald Drive but below them river flows its endless life. Street combines more for people than any other in city.

LIFE is reflected in three blocks of Macdonald Drive along river bank. Tree-lined road is one of city's beauty spots, combines religious life with commerce; quiet spots for those retired in success or moderate means.

Three Nameless Blocks Mirror Life's Pathway

By Ken Liddell

Bulletin City Edition

It's a peculiar street because for three blocks it has no name, yet some of the places on it have numbers.

If you walk farther than the three blocks you find a sign on a house that says it is the McDonald Drive.

But it is the first three blocks that count because those blocks more than any other in Edmonton can mirror the progress of life.

And that goes for busy Jasper, which is just a block to the north, Jasper doesn't mirror life. It merely reflects commerce.

When it is a six block everybody tries to get away from Jasper. It's after that they go down to this other place. It there you can find life from start to finish.

In between you find the clues that make men what they are. And here a great deal to do with how they finish life.

Start at McLaughlin Church on first street and McDonald Drive and walk toward McLaughlin Church is of the United faith today and is a Unitarian Methodist in 1900.

In the years, it has started many lives along the right path. Some may have veered a bit, but then it did the thinking.

UNCHARTED Like the blinking red light at the intersection outside the church—so reminiscent of a lighthouse as it flashes its warning against the sky—some of these lives were as if they had been behind the church.

They found their way through the maze of their own lives and their pathway uncharted.

The house is a number 100, 1002, but nowhere in the block is there a name for its street.

But for people like for a while generally is career as on the tennis court next to the house.

PROBLEMS The life presents problems. And to young lives, so does Alberta College, the building next door.

By the time he gets this life, he is learning to face life. He finds he can't make his own way. And here, too, he finds that through the air, as music, he can brighten his path.

And, as the sign outside says, the business of living is at the business of learning, is a night and day proposition.

But, as the sign outside says, the business of living is at the business of learning, is a night and day proposition.

But, as the sign outside says, the business of living is at the business of learning, is a night and day proposition.

But, as the sign outside says, the business of living is at the business of learning, is a night and day proposition.

But, as the sign outside says, the business of living is at the business of learning, is a night and day proposition.

But, as the sign outside says, the business of living is at the business of learning, is a night and day proposition.

But, as the sign outside says, the business of living is at the business of learning, is a night and day proposition.

But, as the sign outside says, the business of living is at the business of learning, is a night and day proposition.

But, as the sign outside says, the business of living is at the business of learning, is a night and day proposition.

But, as the sign outside says, the business of living is at the business of learning, is a night and day proposition.

But, as the sign outside says, the business of living is at the business of learning, is a night and day proposition.

But, as the sign outside says, the business of living is at the business of learning, is a night and day proposition.

But, as the sign outside says, the business of living is at the business of learning, is a night and day proposition.

But, as the sign outside says, the business of living is at the business of learning, is a night and day proposition.

BRIGHT SIDE Pupils Get Holiday To Honor King

By Ken Liddell

Bulletin City Edition

Every city in the Dominion is said to have at least one street, park or public building named in honor of the beloved British monarch.

Edmonton has three—Victoria Avenue (the avenue), Victoria Park on the north river bank west of the High Level bridge, and Victoria Armoury.

Victoria high school is another public building named for the queen.

Sign outside the tall, narrow building on 87 street near 124 avenue is one of the most thoughtful in the city, particularly if you don't spell too well.

"Not with me," the young lady replied, "Humen Sewing Machine."

She looked a box under her arm, smiled it on the walk, a couple of times, dashed back to the door.

"Here you go," she said, "Humen Sewing Machine."

She looked a box under her arm, smiled it on the walk, a couple of times, dashed back to the door.

"Here you go," she said, "Humen Sewing Machine."

Betty Reynolds Wears Silver Lame For Wedding Held at Holy Trinity

Silver brocaded French lame fashioned the bridal gown chosen by Elizabeth Anne Reynolds for her marriage one afternoon recently to Ross Porter Bishop.

Cannon W. M. Natche performed the ceremony before an altar decorated with white aspidochelons in Holy Trinity Church, where the bride's father was reader for many years.

The bride is the daughter of Mrs. G. G. Reynolds and the late Canon Reynolds, and the bridegroom is the son of the late Mr. and Mrs. W. Bishop, all of Edmonton. J. W. Reynolds, of Kimberley, gave his sister in marriage.

The fitted bodice of her gown featured self-covered buttons at the back, a sweetheart neckline and light point sleeves. The full skirt skirt fell from a pointed waistline and terminated in a train.

GRANDMOTHER'S VEIL Her grandmother's veil of fine silk net fell in a long train from a Juliet cap of silver lame caught at each side by rosebuds. She carried a white peaseblossom bouquet.

Dr. Derek McKay of High River attended the bride, wearing a full skirted gown of aqua satin, made with a fitted bodice, short sleeves and sweetheart neckline. Her small

COSMOPOLIS 16th and exhibition is being held this afternoon at HBC Emporium Room until 5 p.m. Mrs. G. L. Olsen was in charge of arrangements for display of original paintings, silk screen prints, handicrafts.

Women Today

16 EDMONTON BULLETIN, Tuesday, May 23, 1950

WEDDING TRIP to Calgary will be a cherished memory for Mr. and Mrs. J. H. McGilvray who pledged vows in a recent ceremony here. Bride is daughter of Mr. and Mrs. D. P. Fouts. Her husband is son of Mr. and Mrs. A. F. McGilvray of Edmonton.

Double-Ring Ceremony Unites Robert Manery-Peggy Shewell

Against a setting of white snapdragons in St. Stephen's College Chapel, wedding rings were recently exchanged between Miss Margaret Anne (Peggy) Shewell and H. Ronald Manery.

Rev. Melroy Thompson performed the ceremony for the niece of Mr. and Mrs. Harry Graham of Edmonton and the son of Mr. and Mrs. S. R. Manery of Dawson, B.C.

Bride, given in marriage by her brother, Graham Shewell, wore a gown of white tulle with a hand of lace and a train of white tulle. Her hair was styled in a bun with a veil of white tulle. She carried a bouquet of white roses and white hydrangeas.

Bridegroom, Miss Louise Austin, wore a gown of white tulle with a hand of lace and a train of white tulle. Her hair was styled in a bun with a veil of white tulle. She carried a bouquet of white roses and white hydrangeas.

Bridegroom, Miss Louise Austin, wore a gown of white tulle with a hand of lace and a train of white tulle. Her hair was styled in a bun with a veil of white tulle. She carried a bouquet of white roses and white hydrangeas.

Steph Furbush was best man. Paul McInchey was usher.

Mrs. Betty Sims was at the organ and sang "I Love Thee" during singing of the register.

B.C. TULIPS
Floral tables from bridegroom's home at his residence had a bed of red tulips and white tulips.

Also, red tulips were at the bridegroom's home. Mrs. Sims was at the organ and sang "I Love Thee" during singing of the register.

FLYING HONEYMOON
After flying to the bridegroom's home in Peabody, B.C.

Delegates Arrive For BRT Meeting

Delegates from several Alberta points arrived in Edmonton recently for the Alberta Provincial Union meeting of the Brotherhood of Railroad Trainmen.

Mrs. Prudence Graham, president of Northern Lights No. 339, the "house" lodge, presided at the meeting in the 1000 Hall on 103 street.

Medicine Hat team won the competition for the Ella Hunter cup. Benquet was held at night in the hall. Guests were entertained by the Canadian National Glee Club quartet who gave several selections and a violin solo. Evening concluded with cards.

Prizes were given to Mrs. Hill, Mrs. G. Ward, Mrs. Ivan Pucker, Mrs. Committee in charge of affairs were Mrs. Fern Neumeier, Mrs. G. Zaak, and Mrs. Helen Morrison.

Lodges represented included Calgary No. 380, Lethbridge No. 120, Medicine Hat No. 197, and West Edmonton No. 668.

Hair Dryer Bought For Women Patients

Hospitalized women will be able to enjoy the convenience of a new electric hair dryer at Royal Alexandra hospital.

Dryer was presented for use in the chronic patients' annex by members of the Women's Aid. This was bought for Beta Sigma Phi members who knit for patients.

Following the June meeting will be served. For easy bleaching of almonda, with Mrs. D. McGarvey, as assistants, the Edith H. Wilson memorial just to boiling, drain, slip off skin.

couple will spend rest of their honeymoon on a motor trip through the Western States. For travelling bride, unused a station attendant said with straw hat to tone. Her accessories were made complemented with costume of white and cream.

On stage, Mr. and Mrs. Manery sat, made two more in introduction.

Weighing Meats

The purpose of the new Bulova 21 Jewel watches is to make the weighing of meats more accurate.

meat a specified number of minutes per pound. A standing tin has been found for example, weighing 2 pounds or less requires 21 to 26 minutes a pound for rare and 30 to 32 minutes for well-done roast in an oven of 325 degrees F. So the weight is a guide to cooking the meat just the way you want it.

Weighing Laundry

Washing machines perform at top efficiency when they are used as the manufacturer directs. For example, if your instruction booklet calls for 9 minutes, make sure you make up the amount.

How To Beautify GRAY HAIR

color it at home—easily!

With attention to hair care, gray hair can be made more attractive. Use a good hair cream to keep the hair soft and shiny. Use a good hair oil to keep the hair from becoming dry and brittle.

Also, red tulips were at the bridegroom's home. Mrs. Sims was at the organ and sang "I Love Thee" during singing of the register.

Flora C. Smith Weds Derek Moore

At Central United

Early evening ceremony performed recently in Central United Church united in marriage Miss Flora Cameron Smith and Derek Scott Moore.

Rev. E. H. Birdall read the marriage vows for the youngest daughter of Mr. and Mrs. William Smith of Edmonton and the only son of Mr. and Mrs. A. C. Moore of Saskatoon.

Floor length gown of white satin was chosen by the bride, who was given in marriage by her father. Dress featured a sweetheart neckline and high point sleeves. Her floor length veil was held in place by a beaded headband and she carried a bouquet of red roses. Her only jewelry was a string of pearls, gift of the bridegroom.

Bridegroom, Miss Sharon Moore, sister of the bridegroom, was dressed in yellow taffeta. Dress was styled with wide, full skirt and short sleeves. She wore yellow elbow length gloves, and carried a bouquet of pink carnations with matching flower headpiece.

Best man was James Smith, brother of the bride. Organist was Peter Deleate. During the signing of the register they sang "The Church".

MOTHERS RECEIVE

For her daughter's wedding, Mrs. Smith chose a navy blue sheer dress with matching accessories. Her corsage was of tulle and roses. Bridegroom's mother wore a grey dress with matching accessories and corsage of pink roses.

Reception supper was held at McCleary Community Hall. Bride's table was centered with four-tiered cake, flanked by silver holders. Toast to the bride was given by James Livingstone.

Aaron Burr was the third vice president of the United States.

Household Arts

Send twenty-five cents in coin for this pattern (stamps cannot be accepted) to Edmonton Bulletin Household Arts Dept., 60 Front St. W., Toronto 1A, Ontario. Please allow a week or ten days for delivery.

It's the best ever on our latest Alice Brooks' Needlework catalog! Send twenty-five cents in

Bexhill Preserves Ties With Canada

BEXHILL, Sussex, England—(CP)—Mrs. F. M. Barrie, whose daughter lives in Calgary, is organizing an association of Bexhill parents whose daughters married Canadians.

The Calgary Highlanders were stationed at Bexhill during the war and many of them married local girls.

Mrs. Barrie's plan has been endorsed by the southern executive of the United States and Canadian Brides-to-Parents Association.

"We aim at keeping the parents together," said Mrs. Barrie. "Then, when the dollar question is a bit easier, we shall be able to get the steamship companies to take us to visit Canada at a cheap rate."

Her own daughter is Mrs. Allan Allison of 421 23rd Avenue N.E., Calgary, who went to Canada in 1942 when her husband was severely wounded after 2 1/2 years' service with the R.A.F.

For your copy, illustrations of designs for crocheting, knitting, embroidery, toys, quilts, children's clothes. Free needlework patterns is printed in book.

VANCOUVER will be new home of Mr. and Mrs. Anthony Timmons who were married recently at Sacred Heart Church. Bride is former Olga June Frew, daughter of Mr. and Mrs. William Achtenchuck. Her husband is son of Mrs. John Timmons and late Mr. Timmons.

Gay British Socks Make Hit Overseas

LONDON.—(CP)—A new line in British socks is making a hit in export markets. They are decorated with hand-drawn designs of flowers, animals and family crests. There are various colors and patterns. The socks are made of fine cotton and are very comfortable. They are sold in pairs of three for 1/6 and four for 2/6.

Norma Joyce Brown Pledges Vows With Ivan Clare Edwards

White nylon marquisette and chintilly lace wedding gown was chosen by Miss Norma Joyce Brown for her recent marriage to Ivan Clare Edwards.

Bride is daughter of Mr. and Mrs. Wilfred Brown of Edmonton. Groom is son of Mr. and Mrs. S. Edwards of Red Deer.

Bride's hair of the bride's dress was edged with lace. Her triple tiered, fitted skirt fell from a fitted bodice with long sleeves. Chintilly lace head dress held her finger tip illusion veil. The bride wore heirloom jewelry of a ruby brooch and carried a bouquet of gardenias, sweetheart roses and lily of the valley.

Bridesmaid, Miss Vera Brown, cousin of the bride from Glenora, Sask., wore a green nylon marquisette gown with a full skirt and fitted bodice. Dress was fastened with a double hertha collar. She wore matching lily point mitts and a coronet of spring flowers in her hair.

Best man was Allen Edwards, a young man from Edmonton. He wore a tuxedo and carried a bouquet of gardenias. He was the best man at the wedding.

Flower girl, little Donna McCall of Calgary, was dressed in yellow linen.

Nursing Role in Health Scheme To Be Discussed at Meeting

Role of nursing in any proposed national health program for Canada will be one of the subjects under discussion at the coming biennial convention of the Canadian Nurses' Association.

Convention is to be held in Vancouver, June 26-30. Chief emphasis will be given to the subject of health insurance, which will be discussed by the association.

Dr. Charlotte Whitton, distinguished Canadian nursing leader, will give the Mary Agnes Shively memorial lecture at the conference dinner June 28.

Dr. Martin Cherkasky of the Monastere Hospital, New York, will speak on the care of the long-term and aged patient.

Miss Florence Young, of the University of Toronto, will discuss the importance of the work of the International Council of Nursing Associations.

All Canada Meeting. These meetings in the University of British Columbia will bring together 1200 delegates from all parts of Canada.

There are still doubts as to how widely the nursing profession will extend, but none as to the need for such a post. Mrs. Hux has been overwhelmed with demands on her time and attention.

She has had such a flood of requests for advice on nursing problems that she has been unable to become a nursing nurse.

So far she has tried to deal with questions direct instead of referring them to the appropriate department. She thinks women want a personal reply instead of a printed one.

For easy, thorough cleaning of patty and rolling pin cover, use a little extra flour and dust with a fine vegetable brush.

Dear Mom—could I please have some of that sweet V-I-T-A-M-I-N-E after we come home from school?

IN 50 YEARS

Aluminum has grown to be a large part of Canadian living

THIS PICTURE of the first aluminum plant in the British Empire was taken in 1880. That was only 14 years after Charles Martin Hall had discovered how to make aluminum cheaply by using electricity.

The plant was erected in semi-wilderness at Chawinigan Falls because the river was being harnessed to provide electricity. Aluminum was the first to use this power. Today Chawinigan Falls has many other industries and is a bustling, thriving city.

Alkan, too, has been growing during these fifty years. Today the company has 12 plants producing aluminum for 11,000 Canadian and supplying aluminum to more than 1000 independent Canadian manufacturers from coast to coast.

On its 50th Birthday, Alkan looks back over half a century of progress—and forward to continued growth with Canada.

ALUMINUM COMPANY OF CANADA, LTD.

Strategic Bombing Force Now 500

All Three Types Of Planes Can Carry Atomic Bombs

By Charles Cordery
Exclusive to The Bulletin

WASHINGTON, May 25.—(UPI)—America's strategic bombing force, which gained new importance in recent North Atlantic defence talks, now numbers about 500 bombers. It was disclosed today.

Only a few are B-36 Superfortresses. The others are B-29 Superfortresses, built during World War II, and their postwar successors, B-50s.

All three types are atomic bomb carriers. No B-47 jet bombers have yet been delivered to combat groups.

U.S. would be entirely responsible for long-range bombardment under plans for dividing military tasks among the 12 Atlantic Pact countries, as discussed at the London foreign ministers' meeting. The bombers immediately available for the job are fewer in number than those frequently dispatched on single missions in World War II.

But the destructive force they can carry is many times greater than that of the old B-17 Flying Fortress.

THREE FORCES

Lt. Gen. Curtis E. Lemay, air force strategic air commander, keeps the bombing force in constant readiness to strike quickly if this country should be drawn into war. From headquarters of Offutt Air Force Base, Omaha, Neb., he commands three air forces.

They are:
The 13th, with headquarters at March Air Force Base, Riverside, Cal.
The 8th, at Carswell AFB, Fort Worth, Tex.
The 2nd, at Barksdale, La.

With the exception of one B-29 group of probably 30 planes, based in the Far East, and one currently en duty in England, all the strategic bombers are stationed in this country, ready to be sent in any direction when necessary.

Fifteen of the air force's 48 groups are bomb groups in the strategic air command's three forces. At present there are three B-36 superfortress groups supposed to have 18 aircraft each, although one probably is not up to that strength.

Eventually, each group will have 30 planes. The B-36s are based at Fort Worth (7th and 11th groups) and Fairchild-Suisun Air Force Base, Cal. (9th group). The 82nd group at Spokane, Wash., is slated to get B-36s.

THREE B-50 GROUPS
There are three B-50 groups—the 3rd at Castle AFB, Merced, Cal., the 42nd at Davis-Monthan AFB, Tucson, Ariz., and the 2nd at Chatham AFB, Savannah, Ga. The other groups are B-29 outfits.

The air force has been achieving gradual expansion of bomber strength without increasing numbers of groups. Nine medium bomber groups, B-27s and B-50s, are being increased from a strength of 30 planes each to 45 and, in addition, each has assigned one squadron of 20 B-29 tankers for refueling in flight. The expansion is under way.

Gold Bar Found In Bombay Harbor

BOMBAY, India, May 25.—Reuters—Dock workers here Tuesday found a 26-pound gold bar estimated to be worth about \$30,000. It was stamped "Bank of England." Discovered during dredging work in the harbor, it was the 12th gold find since 1944, when warehouses on the docks were destroyed by an explosion aboard an American ammunition ship.

RITA LEARNS LITTLE ABOUT RACE HORSES

LONDON, May 25.—(UPI)—Actress Rita Hayworth has not learned much about race horses from her stable-owner husband, Prince Aly Khan. So the Prince told reporters when he met her at the railroad station last night. She arrived by boat train from Paris. He had flown here a day earlier.

Newsmen asked Miss Hayworth for a tip on the Derby. "I'm afraid she has none," said Aly Khan, who does. His horses and those of his fabulously wealthy father, the Aga Khan, are a fixture at the British turf classic.

"My wife knows little about it," the Prince said. He said it as if he didn't mind.

Ocean temperatures range from 59 degrees Fahrenheit in polar regions to 85 degrees in the tropics.

YEAR-ROUND WORK
This gasoline can be made a mines for year-round sale. The Bureau of Mines says this process should lower the costs of mining and transporting coal, which will be turned into oil and travel by pipeline instead of railway.

The plant here is an American version of the coal hydrogenation process long used in Europe, but shows how synthetic gasoline can be made more cheaply than abroad. First plant in the U.S. it covers several acres of ground but is only demonstration size. A full-scale plant would produce 10,000 to 30,000 barrels a day.

The Bureau of Mines reports its coal-gasoline might now be made in a full-scale plant, using \$312 a ton coal, for 145 cents a gallon, including a small profit. Comparable grades of gasoline are selling at 31 to 35 cents a gallon. All these figures are tank-wagon prices.

100 Tons Coal Yields 150 Barrels Gasoline

By Howard W. Blakeslee
Associated Press Science Editor

LOUISIANA, Mo., May 25.—A new demonstration of making gasoline from coal was begun here Tuesday by United States Bureau of Mines.

Each day about 100 tons of coal, ground nearly as fine as talcum powder, is converted into about 150 barrels of gasoline, plus 30 barrels of useful oils. This is done by adding hydrogen.

This demonstration aims to show that synthetic fuels made from coal can, when needed, supply the oil and gasoline necessary to the future economic welfare and military security of the United States.

The demonstration also is designed to show that these new fuels offer the coal mining industry an escape from diminishing returns and will insure coal miners' steady work.

This gasoline can be made a mines for year-round sale. The Bureau of Mines says this process should lower the costs of mining and transporting coal, which will be turned into oil and travel by pipeline instead of railway.

The plant here is an American version of the coal hydrogenation process long used in Europe, but shows how synthetic gasoline can be made more cheaply than abroad. First plant in the U.S. it covers several acres of ground but is only demonstration size. A full-scale plant would produce 10,000 to 30,000 barrels a day.

The Bureau of Mines reports its coal-gasoline might now be made in a full-scale plant, using \$312 a ton coal, for 145 cents a gallon, including a small profit. Comparable grades of gasoline are selling at 31 to 35 cents a gallon. All these figures are tank-wagon prices.

BUCK BENNY RIDES AGAIN AT SPEEDWAY

INDIANAPOLIS, May 25.—(AP)—Buck Benny rode again yesterday, streaking down the main stretch of the Indianapolis speedway at a rocklike 13 miles an hour.

The radio comedian's pace was just 100 miles too slow to qualify for the 1949 Maxwell for the 500-mile race next Tuesday. However, he and his daredevil driver, Rochester, got the black flag to get off the track.

Benny, Rochester, Vivian Blaine and Phil Harris disrupted the stern routine of the speedway. Regular activity was suspended while the Benny routine took over.

Before that, however, four drivers passed their final driving tests at 115 miles an hour. They included Bud Rose, 36-year-old movie double for Clark Gable, in a racing picture being made here.

India Comes After Tibet In Path Of Communists

TAIPEI, Formosa, May 25.—(UPI)—Gaylo Thondup, brother of Tibet's Dalai Lama, said Tuesday that once the Chinese Communists conquer Tibet "India will fall."

He said Tibet was doing "everything possible" to prepare for the coming Communist invasion and was building the 5,000 man militia to a fighting force of 40,000—even 100,000.

Thondup, in an interview, appealed for American help since "we sorely need weapons and munition." He said that with U.S. aid "we feel the Communists never will attack Tibet."

(The Communist radio Monday offered Tibet "regional autonomy" in return for "peaceful liberation" and warned the tiny Himalayan country against seeking American and British help.)

Thondup, whose brother is the temporal and spiritual ruler of Tibet, conferred Tuesday with Generalissimo Chiang Kai-Shek but described his visit as a courtesy call. Thondup arrived here a few days ago from Calcutta, where he spent some time conferring with members of a Tibet delegation which hopes to arrange a non-aggression treaty with the Communists.

He voiced Tibet's determination to fight if attacked by the Communists, whose armies were reported on Tibet's northern and northeastern borders months ago.

"I'm only afraid we have been isolated too long and may be unable to meet the first challenge when it comes," he said. "But together we will be able to defeat Communism."

Thondup, whose beautiful Chinese wife acted as interpreter, warned of the consequences of a conquest of Tibet.

"If the Communists capture my country and also take Nepal they will be able to sweep down through India, where Communists are already attacking the Nehru government. Once the Communists take ago from Calcutta, where he spent

EDMONTON BULLETIN, Thursday, May 25, 1950

FINANCE BRIEFS

Spokane Firm Applies For Gas Line Permit

OLYMPIA, Wash. (AP)—A Spokane firm's application for a franchise to build a gas pipeline from the state's highways for distribution of Alberta natural gas was received here today.

State Highway Director W. A. Bugee said a public hearing on the application will be held here June 22.

He announced the hearing after Attorney General Smith Troy advised him in an opinion that the application filed by Trans-Northwest Gas, Inc., must be considered.

Thursday's cattle market opened active and slightly increased, overnight arrivals, together with accumulated holiday deliveries, furnished the trade with ample supply to meet present values.

Early sales of the 3,000 head of medium butchers, said at a market, showed a slight increase.

Fifty fancy handweights Tuesday for good choice weights 20.00 to 25.00. The cow market continued firm, good butchers 18.50 to 19.50, old lightweights up to 20.00; good choice heavy butchers 17.00 to 18.00.

Calves were unchanged, good handweights 24.00 to 27.00, choice lightweights up to 28.00, good choice heavy butchers 18.50 to 19.50, old lightweights up to 20.00; good choice heavy butchers 17.00 to 18.00.

Calves were unchanged, good handweights 24.00 to 27.00, choice lightweights up to 28.00, good choice heavy butchers 18.50 to 19.50, old lightweights up to 20.00; good choice heavy butchers 17.00 to 18.00.

Calves were unchanged, good handweights 24.00 to 27.00, choice lightweights up to 28.00, good choice heavy butchers 18.50 to 19.50, old lightweights up to 20.00; good choice heavy butchers 17.00 to 18.00.

Calves were unchanged, good handweights 24.00 to 27.00, choice lightweights up to 28.00, good choice heavy butchers 18.50 to 19.50, old lightweights up to 20.00; good choice heavy butchers 17.00 to 18.00.

Calves were unchanged, good handweights 24.00 to 27.00, choice lightweights up to 28.00, good choice heavy butchers 18.50 to 19.50, old lightweights up to 20.00; good choice heavy butchers 17.00 to 18.00.

Calves were unchanged, good handweights 24.00 to 27.00, choice lightweights up to 28.00, good choice heavy butchers 18.50 to 19.50, old lightweights up to 20.00; good choice heavy butchers 17.00 to 18.00.

Calves were unchanged, good handweights 24.00 to 27.00, choice lightweights up to 28.00, good choice heavy butchers 18.50 to 19.50, old lightweights up to 20.00; good choice heavy butchers 17.00 to 18.00.

Calves were unchanged, good handweights 24.00 to 27.00, choice lightweights up to 28.00, good choice heavy butchers 18.50 to 19.50, old lightweights up to 20.00; good choice heavy butchers 17.00 to 18.00.

Calves were unchanged, good handweights 24.00 to 27.00, choice lightweights up to 28.00, good choice heavy butchers 18.50 to 19.50, old lightweights up to 20.00; good choice heavy butchers 17.00 to 18.00.

Calves were unchanged, good handweights 24.00 to 27.00, choice lightweights up to 28.00, good choice heavy butchers 18.50 to 19.50, old lightweights up to 20.00; good choice heavy butchers 17.00 to 18.00.
